

## Compostable Bags Suitable For Use in the Organics Bin

The type of bags that are suitable for use in the Organics bin are called '**Compostable Bags**'. Please search for this word on the label as other labels such as *degradable*, and *biodegradeable* may not be fully compostable and therefore *unsuitable* for use in the organics bin.

The following bags have been found suitable for use -

- **Multix Compostable Bags** 10 medium, 27L . Available at some Woolworths stores including Bunbury Forum and the Plaza. Approx. \$5 for 10 bags.

- **Compost-a-pak – Maze** 7L 20 per roll available at Bunnings Stores. They are the same size and brand as the ones provided by Shire of Capel and are approx. \$5 per roll of 20 bags.

- **If You Care – Food Waste Bags** The 11L wave top handle bags roll of 30 found at some IGA stores cost approximately \$9.

- **Target shopping bags** are compostable and can be used in the organics bins. They are \$0.10 from Target.
- **Officeworks shopping bags** are compostable and can be used in the organics bins. They are \$0.30 each.
- **Compost-a-pak** Roll of 50 Bags 8L. Available at Shire of Capel Administration building and Libraries at Dalyellup, Boyanup and Capel for \$5.50 per roll.
