Impounded Dogs

Dogs found wandering by Community Rangers may be impounded at the Shire's pound, located at the Shire depot.

Once impounded we will try to contact the dog's owner if possible. If your dog is impounded you should contact the Shire Office as soon as possible to arrange pickup. Dogs can be collected from the pound by appointment only.

Poundage and sustenance fees are payable and these fees must be paid before your dog will be released.

If your dog is lost please contact the Shire office on 9727 0222 to see if it has been found by Rangers.

If a dog has not been reclaimed within 7 days we will make every effort to find them a new home.
