INTRODUCTION

The *Local Government Act 1995*, (the Act) Section 5.36(1)(a), indicates that a local government is to employ a person to be the Chief Executive Officer (CEO) of the local government. In discussion with officers from the Department of Local Government, Sport and Cultural Industries, it has been ascertained, in their view, that the Council should approve any leave taken by the CEO, as they are that person's employer and are therefore responsible for the management of that person.

It has also been determined that to comply with the Act, the Council should approve the person who will take on the role of Acting Chief Executive Officer in the absence of the Chief Executive Officer on leave.

OBJECTIVE

To assist in the efficient management of the organisation by having an appropriate policy in place that allows for the efficient management of CEO's leave applications and appointment of a person to act in that position when required.

POLICY STATEMENT

- 1 That the CEO be required to submit annual leave applications to Council for approval where the period of leave to be taken exceeds five working days.
- 2 Where the CEO wishes to take periods of leave for five working days or less, the President is to be advised of the proposal.
- 3 The details of all CEO annual leave periods shall be included in the weekly Friday Flyer.
- 4 The CEO is delegated authority to appoint an Executive Manager to the position of Acting Chief Executive Officer during all periods of leave.

POLICY APPLICATION

This policy applies to the Chief Executive Officer and Executive Managers at the Shire of Capel.

INTRODUCTION

Council, through the Chief Executive Officer (CEO), has a responsibility to organise its labour resources in the most efficient manner possible so as to maximise the services provided in an effective, economic and efficient manner.

Council's workforce is its most important resource necessary for the achievement of Council's objectives and the skills of the workforce are of the most fundamental significance.

OBJECTIVE

To define the extent of Council's commitment to training and give guidance on preferred training methods and outcomes

POLICY STATEMENT

1. Education (being the acquisition of general tertiary and professional skills and qualifications) is the responsibility of the individual employee. This does not preclude Council from assisting an employee (e.g. study leave) but such assistance, extended at the discretion of the Council is not an employee right.
2. Training (being an extension and/or enhancement of skills and knowledge to enable employees to be more effective in their jobs and/or to provide for future progression) is the joint responsibility of Council and the employee.
3. Council recognises the need for attention to and investment in staff training and authorises the allocation on each year's draft budget of amounts totalling at least 1.5% of the Council's gross payroll towards staff training.
4. Funds allocated by Council for staff training may be directed towards any "training expenditure" and without limiting the generality of this clause, may include:
 - Cost of salaries, registration fees, travelling and accommodation involved in attending training courses and where appropriate seminars or conferences;
 - The wages and overheads associated with the employment of training officers and similar appropriate persons for the provision of internal training courses and on the job side by side training;
 - Purchase of videos, books and other appropriate training aids; and
 - Other appropriate training initiatives at the CEO's discretion.

INTRODUCTION

The primary use of Council vehicles is for the purpose of providing works, services and facilities to the community to achieve corporate and programmed objectives. Any other use is secondary.

Vehicles may also be used by approved employees for certain types of private use.

OBJECTIVE

To identify the categories of use for Council Supplied vehicles to employees.

DEFINITIONS

Fully Maintained means that Council meets all costs associated with the operation of the vehicle during all approved use. This includes the cost of licensing, insurance, fuels and oils, tyres and servicing by an authorised service centre.

Council Supplied means a vehicle either purchased by or leased by Council.

POLICY STATEMENT

1. Conditions of Use

- 1.1 At the discretion of the Chief Executive Officer (CEO) and in accordance with this Policy, employees may be given approval to use Council Supplied vehicles.
- 1.2 The private use of a vehicle is a privilege and not an automatic or established entitlement (unless described as part of remuneration package in a contract of employment).
- 1.3 Employees operating a Council Supplied vehicle are required to drive in a safe manner and abide by the *Road Traffic Act 1974*. Breaches of this policy may result in disciplinary action.
- 1.4 The vehicle is to be maintained in a clean and tidy condition at all times. Cleaning (internal and external) will be undertaken in the employees own time.
- 1.5 Smoking is not permitted inside or within a 10 metre radius of a Council Supplied vehicle. All Council Supplied vehicles should remain free from odour including cigarette odour.
- 1.6 Employees with private or commuting use of a vehicle must reside within a maximum of 85 km travel distance or 1 hour travel time (whichever is less) of the Shire Administration Office.

- 1.7 The CEO shall have the right and discretion to withdraw private or commuter use by providing two weeks' notice. However, failure to comply with any of the conditions of this policy or the vehicle use procedure may result in suspension or withdrawal of private or commuter use without notice.
- 1.8 The CEO may approve the relinquishment of a vehicle provided for in a contract of employment in exchange for a negotiated package that takes into account the pre-tax cash equivalent value of the motor vehicle as assessed by a recognised industry package valuation expert.

2. Categories of Use

2.1 Unrestricted Private Use

Means a Fully Maintained, Council Supplied vehicle allocated for use by an employee, their spouse or partner, for private purposes outside of working hours within the area of the State of Western Australia. Employees will be responsible for all fuel costs where the vehicle is taken outside of the 26th Parallel line.

The employee's spouse or partner shall be allowed to use the vehicle at any time when the employee is in the vehicle or for a maximum journey distance of one hundred (100) kilometres on any occasion when not accompanied by the employee. The approval of Council will be required if private use of the vehicle is requested for periods of approved leave greater than 6 weeks.

Vehicles must display the Shire logo on the driver's side door at all times.

2.2 Restricted Private Use

Means a Fully Maintained, Council Supplied vehicle allocated for use by an employee, their spouse or partner (only whilst the officer is also in the vehicle), for private purposes outside of working hours, except for periods of approved leave that exceeds two days.

Managers are permitted to retain the vehicle for private use within the area of the State of Western Australia south of the 26th Parallel including for periods of leave not exceeding four (4) weeks, where the vehicle is not required for operational needs. During all periods of leave (including using accrued RDO and TIL days) the Managers will be responsible for all fuel costs. Private fuel receipts are to be provided to Finance with vehicle details.

For all other employees, unless otherwise authorised by the CEO or provided for in contracts of employment:

- Vehicles may only be driven within a 250 kilometre radius of the Shire of Capel administration office at Forrest Road, Capel.
- Employees must make arrangements for the vehicle to be returned to the Shire Offices during periods of approved leave greater than two (2) days.

- Employees are responsible for all fuel costs for private use of the vehicle during periods of leave. Private fuel receipts are to be provided to Finance with vehicle details.

Vehicles must display the Shire logo on the driver's side door at all times.

2.3 Commuting Use

Means the use by the employee of a Fully Maintained Council Supplied vehicle for the purpose of commuting between the employee's place of employment and residence.

The only other private use of the vehicle is minor, infrequent and irregular private use (e.g. occasional use of the vehicle to remove domestic rubbish).

Commuting use restrictions apply to the vehicle allocated to the employee and all other Council employees using the vehicle.

Unless otherwise authorised by the CEO, the employee other than Managers must make arrangements for the vehicle to be returned to the Shire Offices during periods of leave greater than two (2) days.

Vehicles must display the Shire logo on the driver's side front door at all times.

3. Motor Vehicle Allocation

Allocation of a motor vehicle for private or commuter use may be based upon:

- The provision of a motor vehicle as a "job facility" e.g. positions which involve significant travel on behalf of the Council in fulfilling normal working requirements. This looks at not only the frequency of use by the position but also the type of business use the vehicle is required for; and/or
- The provision of a motor vehicle as a benefit for positions where it is considered appropriate to provide private use of a Council vehicle to attract and retain suitable staff while minimising the cost of remuneration packages. In determining positions for this purpose the CEO will take into account the position in the organisation's structure, the allocation of job responsibilities and the job market to determine competitiveness in that market, however the overriding requirement is to ensure that the vehicle purchased meets the needs of the position.

4. Work related travel

All reasonable efforts should be made to use a Council Supplied vehicle for work related travel. All work related travel using private vehicles requires prior approval from the Manager.

POLICY APPLICATION

This Policy applies to all employees who have been given approval to use Council Supplied vehicles.

INTRODUCTION

Whilst the wearing of a uniform is not a compulsory requirement of employment with Council, staff are encouraged to have a uniform standard of dress that reflects a professional image to the customer and community. The most advantageous way of achieving this goal is to adopt a suitable uniform design/s and provide an allowance to assist employees in purchasing some uniform on commencement of employment and on a regular basis thereafter.

OBJECTIVE

To assist employees in the purchase of suitable clothing that can be worn during working hours as a Council approved uniform.

POLICY STATEMENT

1. The approved uniform for which the subsidy will apply shall be Shire of Capel approved garments as listed in the Uniform Procedure for office based work purchased from Totally WorkWear:
 - Men's shirts – mid-blue, white or mid-blue/white stripes;
 - Women's shirts & blouses– mid-blue, charcoal or mid-blue/white stripes; and

 - Shire of Capel logo on the left breast of outerwear; or
 - The Shire of Capel logo or the words 'Shire of Capel' on the right waist band or above the right rear pocket of skirts, pants and shorts.
3. Where employees choose to purchase the approved uniform, Council will contribute on an annual basis the amount as determined each year in the annual budget and published in the Uniform Procedure.
4. The amount Council will contribute on an annual basis, to each employee, will be based on the number of days worked in their employment as follows:
 - 4 or more days per week 100% of annual allowance
 - Less than 4 days per week 75% of annual allowance
5. Provision of the uniform allowance will only apply to permanent (full or part time) employees and not to casual employees.

6. In the first year of employment, an employee shall be entitled to double the annual allocation to enable them to purchase a complete uniform.
7. Employees on a casual, fixed or maximum term contract of less than 12 months will not be entitled to the annual allocation unless the appointment is extended to beyond 12 months or becomes permanent.
8. The annual allowance, including the initial double allowance, must be spent in the financial year it is allocated and no carryover of funds will be permitted.
9. Employees commencing employment or completing the probationary period on or after 1 April will be entitled to carry forward their uniform allowance until the commencement of the next financial year (1st July).
10. An employee may be instructed to wear protective clothing by an appropriate officer. Employees will be issued with protective clothing by the Shire of Capel. An employee must not modify, alter or change protective clothing under any circumstances unless they are directed to do so by an appropriate officer.
